Hello HHRA Topic Leads and PALs

Per Pai-Yei's message below, ORD envisions the upcoming award ceremony on Nov 10 to also celebrate completion of the StRAPs and launch of implementation for each of the programs. During the reception following the more formal portion, the plan is to have the 6 ORD national programs and the 4 roadmaps represented in a poster session.

The IOAA has requested that that there be a person(s) at the poster for each national program where possible. Obviously for us that means Cin, DC and RTP.

RTP is covered and we are recycling the overview poster (attached) from the recent BOSC as it didn't have any meeting-specific identifier. What I now need to get to the IOAA is the following for BOTH DC and Cin:

- (1) Name of person(s) to be at HHRA poster during the reception
- (2) Whether or not the HHRA poster can be printed at each location and who would be point person for that

Please let me know asap as the IOAA is crunching on the planning for this party.

And please encourage ALL to attend the festivities – there will be FOOD at each location by popular demand!! ☺
